Job offer: Research Assistant at the World Trade Institute, University of Bern (part-time)

In the context of the research project "Climate Security with Local Authorities (CLISEL)", the World Trade Institute is seeking:

1 research assistant

Start date:	01.09.2018 (or soon thereafter)
Duration:	3 months, renewable up to a total of 6 months
Employment:	30%
Workplace:	Bern (Switzerland)

Project description

As a research assistant, you will work in the H2020 project "CLISEL" to develop the basis of a mobile application targeted at local authorities across Europe for the CLISEL Project.

Requirements

- Bachelor Degree in Computer Science
- Good Knowledge of English
- Prior experience with mobile application development
- Knowledge of Xamarin is a plus

Job description

The position comprises the following tasks:

- Set up the initial frame for the mobile application
- Connect the application to an existing online Database
- Deploy the application for both iOS and Android

Host institute

The World Trade Institute is a leading academic institution dedicated to graduate-level education and research on international trade regulation and investment. As a centre for excellence of the University of Bern, it explores the interconnections between the fields of law, economics and political science at the global level. For more information: www.wti.org.

Application

The deadline for applications is **August 31, 2018** (midnight CET).

Submit a letter of motivation, a detailed CV, copies of highest diploma (eg. BA and MA) grades, to pierre.vanhulst@wti.org, in cc elisa.fornale@wti.org, with the subject line: Application Research Assistant – CLISEL).

For more information, please contact Pierre Vanhulst (pierre.vanhulst@wti.org).
